LADIES' CORSETS

You are no doubt posted on styles of Corsets. We wear the very latest styles that you will want to have your new spring dress made over. Well, then, you will have to acknowledge the R & G Corsets as the latest, as they have always been about three months ahead of the corset procession. Now where are you to get them? This is where we come in. We have these styles and we will be pleased to show them

R & G Corsets

We show this line with a great deal of pride, knowing that the style is in advance, that the fit and wear is right and that the price is small. Why shouldn't we?

The latest Corset is long, yes, quite long, at the same time being very comfortable and easy. One reason for this is that every pair of R & G Corsets are steam moulded and left on an iron form until perfectly dry and shaped. It's the only Corset that we know of being treated in that way. Price \$1.00.

R & G Corsets have a reputation like all best kinds that is growing. We have to anticipate our orders that we may keep our stock sized up.

Cut your garments by a New Idea 10c pattern, it saves your cloth and gives you a beautiful fit with style the very latest, in fact, they claim three months in advance of other patterns.

Muslin Underwear

Our sale of Muslin Underwear is attracting a good deal of attention, particularly on the better kinds. One reason for this is that the better the grade of Underwear the larger the per cent of mark-down.

Garments that were 50c, now 45c, our best values. Those that were \$1.00 now 90c, and those that were above \$1.00 are cut as much as 20 per cent on each garment. Is there any wonder that the better Underwear is selling fastest?

We have a good assortment of Children's Plain Muslin Pants now at 10c and Lace Trimmed Skirts at 25c. These we will not be able to buy again at these prices asked in this sale. The advance in bleached cotton prohibits.

Ginghams

You should get one pick at our new Ginghams. The price is very low, yes, several kinds will be advanced before May first. This applies to Apron Ginghams as well.

Gingham styles are best when the assortment is new, leaving alone any higher price. The style is a consideration, for some of our most stylish street dresses this coming season will be from new styled Ginghams.

Our line of 8c Ginghams were bought last season, hence the price, 8c.

Wash Goods are beautiful this season. Colors run very even and clear and this applies particularly to new Ginghams.
